VMI raises close to 34,000 Euros for ALS

Already for many years, VMI participates in charity sports events with a company team. Our goal is to set a nice (sports) performance, create a team spirit, but above all, raise as much money as possible for charity. This year our plan was to participate in the Tour for ALS, but unfortunately this event has been cancelled.

Last Saturday, the online event “Als we het leven vieren” took place. Bert Boer of VMI handed over a virtual check with VMI’s sponsor contribution of almost 34,000 Euro. A fantastic amount raised in the battle against ALS!
